The volume contains the papers presented at the 5th International Symposium of Economic Informatics of Romania, which was held from May 10-13, 2001, in Bucharest.

The Symposium was set up by the Department of Economic Informatics and has been honoured by the presence of several specialists from the Austria, Belgium, Bulgaria, Finland, France, Germany, Greece, Ireland, the Republic of Moldavia, United Kingdom, United States of America, Japan and Romania.

We give our thanks to the participants, sponsors, to the press, students, to the colleagues of the Academy of Economic Studies Bucharest, who, by their efforts, skills and understanding, contributed to the good of the Symposium.

SECTION 1 – Multimedia Systems and Computer Aided Training

- **An Extensible Framework for Building Interactive Courses on Web**
Sabin Corneliu BURAGA Faculty of Computer Science,
"A.I.Cuza" University of Iasi, Romania 1
- **CAE-axiomatic approach**
Sergiu CREȚU AMBROZIE,
The Academy of Economic Studies of Moldova, Republic of Moldova 7
- **Multimedia Programming Objects**
Ion SMEUREANU, Marian DÂRDALĂ,
Academy of Economic Studies, Bucharest, Romania 9
- **Pour un enseignement des spécifications formelles dans les
formations économiques et juridiques**
Henri HABRIAS,
IRIN (Institut de Recherche en Informatique de Nantes),
Université de Nantes, Nantes, France 16
- **Supporting Virtual Communities and Knowledge
Transfer through Web-based Competence Centres**
Ileana HAMBURG, Institut Arbeit und Technik Wissenschaftszentrum,
Nordrein Westfalen, Germany,
Dorin BALANICA, Gh Asachi Technical University,
Computer Science Dept., Iasi, Romania 20
- **Building CORBA-based systems for distributed learning environments**
Cosmina IVAN, Technical University of Cluj Napoca,
Department of Computer Science, Cluj Napoca, Romania 26
- **IT in distance and open learning-an historical overview**
Ramona LACUREZEANU, Lucia RUSU,
Facultatea de Științe Economice , Cluj-Napoca, Romania 33
- **Developing Microeconomics tests using Asymetrix ToolBook and Web-CT**
Dorin. LIXANDROIU, Ioana NEGRU,
Transilvania University of Brașov, Romania 39
- **A proposed application for school-leaving examination**
Anca MIHAELA, Liceul "Traian", Bucharest, Romania 44

- **A Client/Server Application for Virtual BookShop-VirtualMall**
 Maria MOISE, Management Faculty AISTEDA – I.C.Bratianu University,
 Institutul de Cercetare Dezvoltare in Informatica, Bucharest, Romania
 Mss. Marylena ZINGALE, United Nations, New York, USA48
- **Some Remarks about the Web Based Distance Learning
 and Education in Economics**
 Ștefan Ioan Nițchi, Cluj-Napoca, Romania58
- **Using Speech Technology and Internet for Creating a Virtual Classroom.**
 Nicolae OBJELEAN, ASUM, Chishinau, Republic of Moldova.
 Zinaida TODOROI, FIUM, Chishinau, Republic of Moldova.,
 Alexandru OBJELEAN, “Babes-Boliay” University ,Cluj-Napoca, Romania..63
- **Rule Extraction by Inductive Learning Algorithms**
 Mihaela M. OPREA, Department of Computer Science,
 University of Ploiesti, Romania68
- **Method of automated structurization of theoretical and practical
 material, prepared by teachers before it’s presented to the auditorium
 and using it in distance education.**
 Nicolai PELIN, Serghei PELIN,
 University of Applied Sciences of Moldova, Chisinau,74
- **Parallel algorithm model for backpropagation network**
 Mădălina RĂCEANU, Bucharest, Romania81
- **Media data control and integration in telephony**
 Adriana REVEIU, Academy of Economic Studies, Bucharest, Romania86
- **Distance Education in Moldova. Prospects and opportunities.**
 Stephan SPATARU,
 The Academy of Economic Studies Chisinau, Republic of Moldova.93
- **The Educational Technologies: Information System for Knowledge Testing**
 Tamara ZACON, Simion ONEA, Chisinau, Republic of Moldova,.....100
- **Qualification strategies for the Romanian multimedia industry**
 Viorel ARITON, “Danubius” University from Galati, Romania,
 Vincent EDWARDS, Buckinghamshire Chilterns University College,
 United Kingdom, Gloria LEE, Buckinghamshire Chilterns University College,
 United Kingdom, Jenny COLLYER, London Guildhall University, United
 Kingdom, Doinita ARITON, “Dunarea de Jos” University Romania,
 Constantin SAULEA, S.C. TcInf Galati, Romania 105
- **Retrieving Universal Visual Paradigms.**
 S.H.BEAN., Multimedia Group.Dept. of Computer Science,
 University College Cork. Rep. of Ireland.....111

- **IT Education of the Project Managers**
Constanta Bodea,
The Academy of Economic Studies, Bucharest, Romania..... 116
- **Education aux Médias**
Ana Maria Laculeanu, Rm. Valcea, Romania 121
- **Telemarketing**
Lascu RÎCU, Georgeta ȘOAVĂ, University of Craiova,
Faculty of Science Economics..... 126
- **Multimedia Documents System as Support for Interactive Education**
Georgeta DRULĂ, University of Bucharest, Bucharest, Romania..... 130

SECTION 2 – Information Systems for Social Processes

- **Optimal Trajectories of Business Development Taking into Account the Environment Protection**
Anca ANDREI, Daniela MARINESCU
Academy of Economic Studies, Bucharest, Romania..... 135
- **On a project of IT usage in economic-social development at district level**
Virginia BUTESCU, Academy of Economic Studies, Bucharest, Romania... 141
